Dear Darrell Stern,

SUBJECT: BENNASCENTS.COM

In this day and age of instant gratification, it is reassuring to find someone that takes the time and effort to give quality service, while informing the client that it is not an instant project. Your efforts are shown in the quality project you have completed. It is also comforting to know that Jersey Visions, Inc. will be there as BennaScents grows. I want to thank you for all you have done and will recommend you to those that are in need of the services you provide.

I wish you fair winds and following seas, as you continue to serve.

Sincerely,

Michael L. Thomas
